Board Bits and Bites – Vision Statement

On the first page of the board's big plan there is a vision statement. What is a vision? It is a dream of how things would be if we had a perfect world.

The Bridge's vision is "Our community is inclusive, respectful and supportive of all people." Our dream is that everyone be treated fairly and kindly and feel like they belong. We have a framed copy of the vision statement at every entrance and department of the Bridge. Next time you are coming or leaving the Bridge please take a moment to stop and read it again. Think about what it means. Please help us work towards this vision by being kind and fair to everyone you meet.

Movie Review

Hi guys,

Here is my review of the Nutcracker & the four realms. It took place in London England on Christmas Eve. Mr Stahlbaum gives the kids presents for his wife Marie that was set aside for them before she died. Clara receives a handcrafted egg-shaped box that she is unable to unlock. The package has a note in memory of her mother. She goes to see her Godfather Drosselmeyer because she needs to enter the land of sweets.

Hope this movie inspires you to know about ballroom and what Christmas brings in tradition. Clara disobeys her dad by not wanting to dance with him.
